THE SHORT VERSION

Strong foundations. The offer needs one clear version on every page.

Fora publishes a full fee guide, and its banner rents match the plan table. Every plan shows size, beds and baths. The priority is the offer itself: the lowest two bedroom rent sits on homes marked not eligible for additional savings, and the $500 part of the offer is worded differently from page to page. The C1 three bedroom page also lists one bedroom homes. None of the fixes touch a working H1 or H2.

Keep these main headings as they are. They read clearly and the pages are earning search visibility: Home page, /floorplans, /firstresponder, /preferredemployer, /photogallery, /amenities, /contactus, /mapsanddirections.

WHAT IS WORKING

A full Fee Guide is published

The Fee Guide lists the $500 standard deposit, $75 application fee, $300 admin fee, $85 amenity, $60 internet and $25 trash monthly charges, pet fees, garage, carport and storage prices, and usage based utilities.

Banner rents match the plan table

The banner says 1 Bed / 1 Bath = $1718 and 2 Bed / 2 Bath = $1987, which equal the lowest base rents on the floor plans page (A1 $1,718 and B1 $1,987).

Every plan shows size, beds and baths

A1 805 sq ft, A2 876, B1 1,150, B2 1,379, B3 1,349 and C1 1,453. Five plans show a total monthly price with the base rent beside it, and C1 shows Call for details. Sizes match the video tours page wherever a plan appears there.

Programs have their own pages with real numbers

First Responder and Preferred Employer pages state $50 off monthly rent, $600 total annual savings and $375 in credited application and admin fees, which equals the $75 application fee plus $300 admin fee in the Fee Guide.

FIX NOW

4 fixes renters can see today

F1 **Property team**

The lowest two bedroom rent in the offer is on homes marked not eligible for additional savings

Home page · /floorplans/b1-two-bedroom · /floorplans/a1-one-bedroom

WHAT NEEDS TO CHANGE

The banner puts the free month and the $1,987 rent in one message, while the two homes at that rent, and Apartment 250 at $1,994, say they are not eligible for additional savings. The A1 homes at $1,718 show no Specials link at all, while the plan card on the Floor Plans page says "Specials Available". A renter can read the banner as $1,987 plus a free month, then learn at the home level that the two do not combine.

READY TO PASTE

> The lowest two bedroom rent shown is a reduced rent. Reduced rent homes are not eligible for additional savings or concessions. See each home for its special.

F2 **Property team**

The floor plans page, popup and home panels word the $500 part of the offer differently

/floorplans · Home page · /floorplans/b3-two-bedroom

WHAT NEEDS TO CHANGE

The banner and floor plans page say up to $500 for a same day tour and application. The popup says $500 with no condition, and the home panels say "Look and Lease Savings" with no amount. The floor plans page also leads with "Monster Rate Drops", while the banner and popup say "Falling Rates" and the home panels say "Price Drops". The holiday theme in the banner and popup can stay. A renter comparing these spots sees different terms for the same savings and may expect a full $500 without the same day condition.

READY TO PASTE

> Falling Rates + 1 Month FREE Rent. Tour & Apply Same Day for up to $500 More!

F3 **RentCafe or developer**

The C1 3 Bedroom page lists one bedroom homes, and its cost links open an error page

/floorplans/c1-3-bedroom

WHAT IT SAYS NOW

> "C1 3 Bedroom" "3 Bedrooms | 2 Bathrooms" followed by "Apartment: # 245" "Starting at: $1,888.00" "Base rent $1,718.00", and "14 Apartment Available". "Calculate My Costs" on these homes opens "404 - Page not found".

WHAT NEEDS TO CHANGE

The page shows the same 14 homes and prices as the A1 One Bedroom page, while the Floor Plans page shows C1 as "Call for details" with a "Get Notified" button. The cost estimate page for this plan returns an error, and your search data shows it earned 342 impressions and 3 clicks in the 90 days ending Oct 31 2026. A renter looking for a three bedroom sees one bedroom prices and may think a three bedroom is available at $1,888 a month.

READY TO PASTE

The C1 3 Bedroom page should show no homes until a C1 home is available, matching the Floor Plans page ("Call for details" and "Get Notified"). When a C1 home opens, it should list only C1 homes, and "Calculate My Costs" should open the cost estimate page, as it does for A1.

F4 **Property team**

The pet breed list differs between Rental Qualifications and Amenities

/rentalqualifications · /amenities · /interactivepropertymap

WHAT NEEDS TO CHANGE

Presa Canaria and Siberian Husky appear on Rental Qualifications but not on Amenities. Dalmatian, Great Dane, Mastiff and Staffordshire Terrier appear on Amenities but not on Rental Qualifications. The Interactive Property Map page holds the Amenities list in its pet policy section, which is not on screen when the map opens. A pet owner can get a different answer depending on which page they read.

READY TO PASTE

The breeds that are not permitted include, but are not limited to: (your team confirms the current breed list).
