SOCIAL DM LocalLift™

THE SHORT VERSION

The offer is clear across the site. The pet and fee answers need attention.

The offer reads the same on the pages read live, the main headings are working and a fee guide and Pricing Guide are published. The priority is one plan page and a few FAQ answers: the B4 page lists an A1 home, the pet friendly answer repeats the parking answer, pet fees read opposite to the guides, and monthly fees differ between the FAQ, the Pricing Guide and the fee guide. No fix changes a working H1 or H2.

Keep these main headings as they are. They read clearly and the pages are earning search visibility: Home page, /floorplans, /photogallery.

WHAT IS WORKING

One offer, told the same way

Banner, Leasing Offers page and the Specials panel on each home carry the same 10 weeks offer.

Fee guide is published

The guide lists redecoration, application, pet items, parking and early termination.

Neighborhood answers are specific

The FAQ names Scottsdale Quarter, Kierland Commons and Loop 101 access.

Lease break terms agree

The FAQ says "2 times the rent plus tax" and the guide says "200 % of base rent".

FIX NOW

4 fixes renters can see today

F1 **RentCafe or developer**

The B4 two bedroom page lists an A1 home

/floorplans/b4 · /floorplans/a1

WHAT IT SAYS NOW

> /floorplans/b4: "Apartment: # 2052 Available Now Starting at: $1,770.00" beside "Starting at $4,475.00". The same home 2052 is on /floorplans/a1.

WHAT NEEDS TO CHANGE

A two bedroom plan starting at $4,475 shows a home priced at $1,770 that belongs to the one bedroom A1 plan. A renter on the largest plan sees a home and price that plan does not offer.

READY TO PASTE

(no text to paste: the B4 page should show only B4 homes, or no homes when none are open)

F2 **Property team**

The pet friendly answer repeats the parking answer

/faq

WHAT IT SAYS NOW

> "Is your community pet friendly? Yes, each apartment is assigned to a carport or single car detached garage"

WHAT NEEDS TO CHANGE

The answer is about parking. Pet owners get no answer at the point they ask.

READY TO PASTE

Yes, The View at Cascade is pet friendly, with breed restrictions and no weight limit.

F3 **Property team**

FAQ pet fees read opposite to the fee guide

/faq · /feeoverview · /floorplans

WHAT NEEDS TO CHANGE

The FAQ calls $200 the fee and $225 the deposit. The fee guide and the Pricing Guide show the reverse, and the FAQ leaves out pet rent. Renters need to know which part comes back to them.

READY TO PASTE

> Pet fee: $225 for one pet and $325 for two pets. Refundable deposit: $200 for the first pet and $500 for two pets. Pet rent: $30 per pet per month, up to two pets. (the property team confirms)

F4 **Property team**

FAQ monthly fees do not match the fee guide

/faq · /feeoverview · /floorplans

WHAT NEEDS TO CHANGE

Three places give three versions of the monthly fees: $49 with insurance included, $41 with insurance listed separately, and no concierge line on the fee guide. The FAQ also leaves out the $65 internet line. Monthly cost is a deciding number for renters.

READY TO PASTE

> (the property team confirms the monthly fees, then the same list goes on the FAQ, the Pricing Guide and the fee guide)

IF YOUR TEAM GETS STUCK

Hand it off in one email

1. If your team has access to RentCafe Site Manager, try the items marked Property team there first.
2. If a field is missing or a change will not save, send the note to your RentCafe contact or your site developer. It holds every item marked RentCafe or developer.
3. Still stuck? Reply to us with their name and we will send them the list and follow it through.

The note is ready to copy in the online report.
