THE SHORT VERSION

The site tells the Ballard story well. Offer wording, hours and plan labels need a look.

The site leads with Ballard, publishes a fee guide and states plan sizes clearly. The priority is three things renters see today: the popup words the $1000 offer differently, Sunday hours read as midnight to midnight, and the headings promise studios while the plan list labels open layouts as one bedrooms. Search data is not connected for this site, so no heading is judged on clicks. The extra slogan heading and empty H1 tag in F4 are a template cleanup, and the studio wording in F3 changes only after the property team confirms.

WHAT IS WORKING

Ballard is front and center

The site opens on Ballard living and the footer places the building near Ballard parks and main corridors.

Fee guide is published

The guide lists application fee $14.00, pet rent $45.00 and early termination.

Plan sizes are clear

"Square footage is listed as actual livable square footage, not including patios or storage"

Holiday hours are posted ahead

Upcoming holiday hours are listed on the contact page.

SPECIALS MATCHING

THE OFFER THE SITE LEADS WITH TODAY

“$1000 Off Move in *Ask for details, select homes and terms”

Home page · No end date on the site.

2 of the 3 spots we compared match this offer. These differ:

PAGE AND SPOT	WHAT IT SAYS	RESULT
Home page popup (Move in Special!)	"Move in Special! Limited time offer $1000 off rent! * Ask for details, select homes and terms only."	Different

FIX NOW

3 fixes renters can see today

F1 **Property team**

The popup words the offer differently from the offer line

Home page · /leasingoffers

WHAT IT SAYS NOW

> Offer line: "$1000 Off Move in *Ask for details, select homes and terms". Popup: "Move in Special! Limited time offer $1000 off rent! * Ask for details, select homes and terms only."

WHAT NEEDS TO CHANGE

Off move in and off rent can mean different things to a renter. A renter may read a one time move in credit as a rent reduction.

READY TO PASTE

(the wording the property team confirms, the same on the offer line, popup and Leasing Offers page)

F2 **Property team**

Sunday office hours read as open all night

/contactus

WHAT IT SAYS NOW

> "Sunday: 12 AM to - 12 AM"

WHAT NEEDS TO CHANGE

The hours show midnight to midnight. A renter cannot tell whether the office is open on Sunday.

READY TO PASTE

Sunday: (the property team confirms hours or Closed).

F3 **Property team**

Headings promise studios, and the plan list shows none

Home page · /floorplans

WHAT IT SAYS NOW

> Home H1: "Soren Apartments - Studio, 1 & 2 Bedroom Homes in Ballard, Seattle". /floorplans H2: "Studio, One & Two-Bedroom Apartments in Ballard, Seattle". The plan filter offers "1 Bedroom" and "2 Bedrooms", and open layouts show as "oA7 - Open" with "1 Bed".

WHAT NEEDS TO CHANGE

The open layouts may be what the site means by studio, but the plan list labels them as one bedrooms. A renter searching for a studio finds no plan labeled that way.

READY TO PASTE

(the property team confirms whether oA plans are studios, then either the plan labels or these headings change to match)
