THE SHORT VERSION

One offer runs across the whole site. The details behind it need a tune up.

COYA runs one offer across every page we read, publishes an itemized fee guide, and shows a total monthly price on each plan card with homes available. The priority is what sits just behind that: the lowest two bedroom price in the offer is on a home marked not eligible for savings, older move in wording still appears, the studio page lists one bedroom homes, and fee and pet details differ between pages. No fix changes a working H1. The only H2 lines involved are two corrections in F8 (the maps page spelling and the 24/Hour Fitness tile) and the video tour labels in F7.

> **Keep these headings as they are.** These main headings read clearly and the pages are earning search visibility. Nothing in this report asks to change them.

PAGE	MAIN HEADING (H1)	WHY IT STAYS
Home page	COYA LUXURY VEGAS	The home page earned 1,125 clicks and 12,370 impressions in the last 90 days at an average position of 5.2, mostly on searches for the COYA name.
/floorplans	Studio, 1, 2 & 3 Bedroom Apartments in Las Vegas	59 clicks and 3,824 impressions at an average position of 3.0, the most clicks and impressions after the home page.
/amenities	Amenities at our New Luxury Apartments in Las Vegas	2,932 impressions at an average position of 2.6 with a clear, matching heading.
/photogallery	Picture Life at our Luxury Apartments in Chinatown, Las Vegas	3,382 impressions at an average position of 2.5 and 8 clicks.
/firstresponderappreciation	First Responder Appreciation	23 clicks and 2,166 impressions, the third highest click page.
/preferredemployer	Preferred Employer Partnership	11 clicks and 1,528 impressions at an average position of 4.2.
/mapsanddirections	Explore our Apartments near The Las Vegas Strip	1,627 impressions at an average position of 4.4. The H1 stays. The second heading gets one spelling correction (F8).
/interactivepropertymap	Interactive Property Map	1,335 impressions at an average position of 3.2 and 3 clicks.
/contactus	Connect	4 clicks and 710 impressions at an average position of 3.5. The heading is short, and the page title "Contact Coya to Schedule a Visit" says what the page is for.
/videotours	Video Tours	924 impressions at an average position of 3.6 and 2 clicks.

WHAT IS WORKING

A clear, itemized fee guide

The fee guide lists the $500 standard deposit (on approved credit), $300 admin fee, $75 application fee, internet $90, amenity $85, trash $25 and utility billing $4 per month, pet deposit $300 and pet rent $50, plus NSF and late fees, with an Email PDF option.

Plan cards show a total monthly price

Eight of the nine plan cards show base rent and a Total Monthly Leasing Price (studio plan E1 says "Call for details"). For A1 the base rent of $1,460.00 plus $204.00 in required monthly fees equals the $1,664.00 shown, and the $204 matches the fee guide (internet, amenity, trash, utility billing).

Offer prices match the plan table

The popup and the floor plans page say 1BR $1460, 2BR $1945, 3BR $2835. The lowest base rents in the plan table are $1,460 (A1), $1,945 (B3) and $2,835 (C2).

One offer across every page read

The banner and popup were found on all 33 pages read, with no old seasonal offer left in any title, meta description, popup or banner.

Clear programs with the dollar amounts

First Responder Appreciation shows $100 off monthly rent, a $99 deposit and waived application and admin fees (on approved credit). Preferred Employer shows $50 off monthly rent, a $99 deposit and waived fees worth $375. Both are in the main menu.

Pet terms stated with real numbers

Pet rent $50 per month, pet deposit $300, up to 3 pets, no weight restrictions. The $50 and $300 match on the amenities page, the qualifications page and the fee guide.

Office hours match in the three places they appear

Monday to Friday 9 AM to 6 PM and Saturday and Sunday 10 AM to 5 PM in the footer, on the contact page and on the tour page.

Online tour scheduling and a full plan library

The tour page offers a date picker for guided tours. The video page has floor plan videos for nine plans and 3D walkthroughs for six of them. Every photo in the gallery has descriptive alt text.

Clean technical basics

robots.txt points to https://www.coyaliving.com/sitemap.xml, the sitemap lists 23 pages, every page read returned status 200, and each page checked has a canonical pointing to itself.

Renters and AI answers read whichever page they land on. We read the offer on each page and compared it with the one the site leads with.

THE FIXES

Each fix, ready to paste

Each card names the page, quotes what is there now and gives the replacement text. Facts come from your own website. Anything we could not confirm sits in parentheses for your team to fill in.

F1 **Fix now** **Property team** Specials

The lowest 2 bedroom offer price is on a home not eligible for savings

Home page · /floorplans · /floorplans/b3 · /floorplans/b2

WHAT IT SAYS NOW

> Popup: "2BR Base Rents Starting at $1945" and "Stack Your Savings With Our First Responder & Preferred Employer Programs". Plan B3, unit 207 at $1,945.00, behind its Specials link: "REDUCED RENT! Not eligible for additional savings." Plan B2 units 145, 245, 267 and 167 carry the same note. Floor plans page, on plans B2 and B3: "Specials Available".

WHAT NEEDS TO CHANGE

The 2 bedroom starting price in the offer is the $1,945 home on plan B3, and that home is noted as not eligible for additional savings. The note shows only after opening the Specials link under that home, and it is the only special text behind the green Specials Available badge on plans B2 and B3. A renter who sees a price and a bonus together expects both, so a different answer at the tour can cost trust.

READY TO PASTE

Floor plans page and popup, add this sentence: "Reduced rent homes are not eligible for additional savings." Or, to state the price that does qualify: "2BR Base Rents Starting at (your team confirms the lowest 2 bedroom rent that qualifies for the Look & Lease Bonus)".

HOW TO DO IT

Edit the floor plans page text in the website content tools. If the popup will not save, send that line to RentCafe or the developer.

F2 **Fix now** **Property team** Facts

Move in and VIP list wording conflicts with homes marked Available Now

/floorplans · /contactus · /photogallery · Home page

WHAT IT SAYS NOW

> Floor plans page, text at the bottom: "See for yourself what COYA offers by joining our VIP list. We are leasing for February move-ins!" Contact page: "NOW OPEN! Be among the first to step inside-join our VIP list today!" Photo gallery: "We'd love to show you around our new apartments in Las Vegas. Join our VIP list and contact us today!" Footer on every page: "Contact us today to join our VIP list!" Home page: "Now Leasing for Immediate Move-ins!"

WHAT NEEDS TO CHANGE

The home page says immediate move ins and the plan pages list homes as Available Now, while the floor plans page says February move ins. The contact page, photo gallery and footer invite renters to join a VIP list, which reads as a community that has not opened. Renters get two different answers on when they can move in.

READY TO PASTE

Floor plans page, last two sentences: "See for yourself what COYA offers. We are leasing for immediate move ins. Schedule a tour or call 702.605.6291." Contact page: "Now open and leasing for immediate move ins. Send us a message or call 702.605.6291 to schedule your visit." Photo gallery, last sentence: "Contact us today to schedule a tour!" Footer: "Welcome to COYA apartments near the Las Vegas Strip, the newest community in Las Vegas' Chinatown neighborhood. Contact us today to schedule a tour! Picture yourself at home at COYA!"

HOW TO DO IT

Edit the floor plans, contact and photo gallery page text in the website content tools. The footer text is a site wide setting. The team can try it first and send it to the developer if it does not change.

F3 Fix now RentCafe or developer Facts

The studio plan page lists the same homes as the A1 one bedroom page

/floorplans/e1 · /floorplans/a1

WHAT IT SAYS NOW

> Plan page E1 (Studio | 1 Bathroom, "Up to 667 Sq. Ft."): "9 Apartment Available", then "Apartment: # 428" with "Base rent $1,860.00", followed by # 436, # 442, # 418, # 135, # 315, # 154, # 233 and # 218. The floor plans page shows E1 as "Inquire for details" and "Call for details".

WHAT NEEDS TO CHANGE

The nine homes listed on the studio page are the same nine homes, at the same rents, listed on the A1 one bedroom plan page, with base rents from $1,460.00 to $1,960.00. The floor plans page shows no price or available count for studios. A renter looking for a studio sees homes and prices that the site also lists as one bedrooms.

READY TO PASTE

E1 page: show only studio homes. If no studio is available, show: "No studios are available right now. Call 702.605.6291 or use Get Notified to hear when one opens."

HOW TO DO IT

Check which plan the nine homes are assigned to in the property system, because the website reads from it. If the assignment is correct there, send the page to the developer to review how the E1 page pulls its list.

F4 Fix now Property team Facts

The admin fee is described two different ways

/feeoverview · /rentalqualifications

WHAT IT SAYS NOW

> Fee guide: "Admin Fee", "Per Unit", "$300.00", "One-Time/At Move-In" and a line "Concession - Admin Fee", "$-300.00". Rental qualifications: "A NON-REFUNDABLE application fee of $75 per applicant and a NON-REFUNDABLE administrative fee of $300 are required at the time of application."

WHAT NEEDS TO CHANGE

One page says the $300 admin fee is due at move in and shows a matching $300 concession line, the other says it is due at application. Renters cannot tell what they pay at application or whether the admin fee is currently waived.

READY TO PASTE

Both pages: (your team confirms whether the admin fee is due at application or at move in, and whether the current concession waives it).

HOW TO DO IT

Confirm with the property management company, then update the qualifications page text in the website content tools. The fee guide reads from the property system.

F5 **Fix now** **Property team** Facts

The pet breed restriction lists differ between two pages

/amenities · /rentalqualifications

WHAT IT SAYS NOW

> Amenities: "Akita, Chow, Dalmatian, Doberman Pinscher, German Shepherd, Great Dane, Pit Bull, Rottweiler, Mastiff, Staffordshire Terrier, all wolf breeds, and any mixes of these." Rental qualifications: "Akita, Chow, Doberman Pinscher, German Shepherd, Pit Bull, Rottweiler, Presa Canaria, Siberian Husky, all wolf breeds, and any combination of these breeds."

WHAT NEEDS TO CHANGE

Dalmatian, Great Dane, Mastiff and Staffordshire Terrier appear only on the amenities page. Presa Canaria and Siberian Husky appear only on the qualifications page. A renter with a Husky or a Great Dane gets a different answer depending on the page they read.

READY TO PASTE

Both pages: (your team confirms the current breed restriction list).

HOW TO DO IT

Confirm the list with the property management company, then edit both pages in the website content tools. Keep the closing line on the amenities page: "Final determination of breed eligibility is at management's discretion."

F6 **Fix now** **Property team** Facts

The events page shows July and August flyers

/events

WHAT IT SAYS NOW

> The page text says "Our Monthly Community Events Calendar highlights upcoming resident events, seasonal celebrations, social gatherings, and neighborhood experiences". The two images on the page read "JULY Offerings" (July 4, July 15, July 29) and "AUGUST Offerings" (August 2, August 12, August 26).

WHAT NEEDS TO CHANGE

The page describes upcoming events and shows two past months. The dates sit inside two images with no alt text, so they cannot be read as text, and the images make the page about 4.6 MB. Your search data shows questions about resident events where your site appears near the top of results (around position 2), so renters may land here.

READY TO PASTE

Alt text: "Monthly events calendar for (month and year) at COYA." Text under the image: (event name), (date), (time), (what residents can expect).

HOW TO DO IT

In the website content tools, replace the two images with the current month's flyer, then add the alt text and type the event list under the image.

F7 This week Property team Facts

Video tour labels differ from the floor plans page

/videotours · /floorplans

WHAT IT SAYS NOW

> Video tours: "A1 Floor Plan · 1 Bed / 1 Bath · 667–751 SF" and "B3A Floor Plan · 2 Bed / 2 Bath · 1,091 SF". Floor plans page: "667–730 Sq. Ft." for A1, "1,091–1,153 Sq. Ft." for B3 and "1,075 Sq. Ft." for B3b.

WHAT NEEDS TO CHANGE

The A1 maximum is 751 on one page and 730 on the other. The floor plans page has no plan called B3A. Its nearest plans are B3 and B3b. Renters comparing sizes get two answers for the same plan.

READY TO PASTE

Video tours: "A1 Floor Plan · 1 Bed / 1 Bath · (your team confirms the size range) SF" and "(your team confirms whether this is plan B3 or B3b) Floor Plan · 2 Bed / 2 Bath · (your team confirms the size) SF".

HOW TO DO IT

Confirm the sizes against the floor plan drawings, then edit the video tour labels in the website content tools.

Spelling and wording errors on four pages

/mapsanddirections · Home page · /floorplans · /preferredemployer

WHAT IT SAYS NOW

> Maps page second heading: "Excitement Awaits In Chinatown, Near the Las Vegas Stip". Home page: "allowing you to reach word class entertaining, dining, and shopping" and the amenity tile "24/Hour Fitness". Floor plans page, plan A8: "Approximately 740 815 square feet." Floor plans and maps pages: "Spring Preserves" (the FAQ says "Springs Preserve"). Preferred Employer page: "one of the citys most vibrant neighborhoods" and "Area15 and it's supporting properties".

WHAT NEEDS TO CHANGE

"Stip" should be Strip, "word class entertaining" should be world class entertainment, "24/Hour Fitness" should match the amenities page wording, plan A8 is missing "to", "Spring Preserves" differs from the FAQ, "citys" needs an apostrophe and "it's" should be its. Clean spelling keeps these lines accurate for renters and for AI answers that quote them.

READY TO PASTE

Maps page second heading: "Excitement Awaits In Chinatown, Near the Las Vegas Strip". Home page: "allowing you to reach world class entertainment, dining, and shopping" and "24 Hour Fitness Center". Floor plans page, plan A8: "Approximately 740 to 815 square feet." Floor plans and maps pages: "Springs Preserve". Preferred Employer page: "one of the city's most vibrant neighborhoods" and "Area15 and its supporting properties".

HOW TO DO IT

Edit each line in the website content tools. Only these words change, and every other heading stays as written. If the plan A8 description does not change there, send it to the developer.

Tour and eBrochure pages use the platform default title and description

/scheduletour · /brochure

WHAT IT SAYS NOW

> Tour page title: "Apartments in Las Vegas, NV | Coya | RENTCafe", meta: "Check out photos, floor plans, amenities, rental rates & availability at Coya, Las Vegas, NV and submit your lease application today!" The eBrochure page uses the same title and the same description.

WHAT NEEDS TO CHANGE

Both pages carry the platform name RENTCafe in the title and share one generic description. The tour page had 2,864 impressions at an average position of 7.5 in the last 90 days. A clear title and description tell renters what the page is before they click.

READY TO PASTE

Tour page title: "Schedule a Tour | COYA Apartments Las Vegas". Tour page meta: "Schedule a tour at COYA, 3475 W Desert Inn Rd in Chinatown, Las Vegas. Choose a date and time online or call 702.605.6291." eBrochure title: "COYA eBrochure | Las Vegas Apartments". eBrochure meta: "View the COYA eBrochure for studio, 1, 2 and 3 bedroom apartments at 3475 W Desert Inn Rd in Las Vegas."

HOW TO DO IT

Set the page title and meta description for each page in the website content tools. If the platform does not allow it, send the item to the developer. The H1 on each page stays as it is.

F10 This week RentCafe or developer Headings and titles

The fee guide page has a one word title and no description

/feeoverview

WHAT IT SAYS NOW

> Title: "Coya". Meta description: none.

WHAT NEEDS TO CHANGE

The page that answers renters' cost questions has a title that is only the property name and no description. An empty H1 tag also sits above the visible "Fee Guide" heading. Renters and AI answers find cost facts more easily when the page says clearly that it is the fee guide.

READY TO PASTE

Title: "Fee Guide | COYA Apartments Las Vegas". Meta: "See move in costs and monthly fees at COYA in Las Vegas, including deposit, application fee, internet, trash, and pet fees." Empty H1 tag above the heading: remove it. The visible Fee Guide heading stays.

HOW TO DO IT

The team can try the title and description in the website content tools first. The empty H1 tag comes from the page template, so that part goes to the developer.

F11 This week Property team Headings and titles

FAQ and rental qualifications descriptions are generic

/faq · /rentalqualifications

WHAT IT SAYS NOW

> FAQ meta: "Check out photos, floor plans, amenities, rental rates & availability at Coya and submit your lease application today!" Rental qualifications meta: "Learn more about Coya in Las Vegas, NV and view custom pages."

WHAT NEEDS TO CHANGE

Neither description says what the page contains. The qualifications text mentions custom pages, which is platform wording. A specific description helps renters and AI answers pick the right page.

READY TO PASTE

FAQ meta: "Answers about COYA apartments in Chinatown, Las Vegas, from neighborhoods and local employers to community amenities." Qualifications meta: "Income, credit, rental history, pet and occupancy requirements for COYA apartments in Chinatown, Las Vegas."

HOW TO DO IT

Set the meta description for each page in the website content tools. The H1 and title stay as they are. If new questions are added to the FAQ (F12), update the FAQ description to match.

F12 This week Property team FAQ

The FAQ has no answers on costs, pets, programs, tours or parking

/faq

WHAT IT SAYS NOW

> All five questions, for example "What is the best neighborhood to rent an apartment in Las Vegas?" and "What makes living in Las Vegas unique?"

WHAT NEEDS TO CHANGE

The questions cover Las Vegas in general and community amenities. None covers fees, pets, programs, qualifications, touring or parking, and this is the natural place renters and AI answers look for them. These are the questions renters ask before they call, and most of the answers already exist on other pages of your site.

READY TO PASTE

The six questions and answers are in the FAQ section of this report, ready to paste. Each is written from facts on your own site, with the source page shown. Items in parentheses need your team to confirm first.

HOW TO DO IT

Add each question and answer in the FAQ section of the website content tools.

Sitemap leaves out two pages, and cost estimate pages share one title

/sitemap.xml · /feeoverview · /brochure · /rentestimate/b2

WHAT IT SAYS NOW

> The sitemap lists 23 pages. It does not include /feeoverview (linked in the main menu) or /brochure. Eight cost estimate pages (/rentestimate/a1, a7, a8, b1, b2, b3, b3b, c2) all use the title "Coya | Cost Estimate".

WHAT NEEDS TO CHANGE

Two useful pages are missing from the sitemap, and the cost estimate pages cannot be told apart in search results. Listing pages and giving them distinct titles helps search engines and AI answers find the right one.

READY TO PASTE

Add https://www.coyaliving.com/feeoverview and https://www.coyaliving.com/brochure to the sitemap. Cost estimate titles: "COYA B2 Cost Estimate | Las Vegas", with the plan name changed on each page.

HOW TO DO IT

Both are platform settings, so both are in the handoff email at the end of this report.

FAQ PAGE

What the FAQ answers today

All five questions are about Las Vegas in general or list amenities already shown on the amenities page, so renters get no answer on fees, pets, programs, qualifications, touring or parking from this page. Most of these facts already sit on other pages of your site, so the answers below mainly gather them in one place. /faq holds 5 questions.

- What is the best neighborhood to rent an apartment in Las Vegas?
- What makes living in Las Vegas unique?
- What are some things to do in Las Vegas, Nevada?
- How close is Las Vegas to major employers?
- What are the best apartment amenities in Las Vegas?

IF YOUR TEAM GETS STUCK

Hand it off in one email

Most text changes can be made by someone with website access. Anything that will not save, or any field you cannot find, can go straight to the people who run the platform.

1. If your team has access to RentCafe Site Manager, try the items marked Property team there first.
2. If a field is missing or a change will not save, copy the note below and send it to your RentCafe contact or your site developer. The note holds every item marked RentCafe or developer. If a Property team item gets stuck, add its card from this report to the same email.
3. Still stuck? Reply to us with their name and we will send them the list and follow it through.

READY TO FORWARD

Hello,

We are updating the website for COYA (https://www.coyaliving.com/). Please make the changes below exactly as written. Please leave the H1 and H2 headings as they are unless an item below names one.

F3. The studio plan page lists the same homes as the A1 one bedroom page
Page: https://www.coyaliving.com/floorplans/e1, https://www.coyaliving.com/floorplans/a1
Change to: E1 page: show only studio homes. If no studio is available, show: "No studios are available right now. Call 702.605.6291 or use Get Notified to hear when one opens."

F9. Tour and eBrochure pages use the platform default title and description
Page: https://www.coyaliving.com/scheduletour, https://www.coyaliving.com/brochure
Change to: Tour page title: "Schedule a Tour | COYA Apartments Las Vegas". Tour page meta: "Schedule a tour at COYA, 3475 W Desert Inn Rd in Chinatown, Las Vegas. Choose a date and time online or call 702.605.6291." eBrochure title: "COYA eBrochure | Las Vegas Apartments". eBrochure meta: "View the COYA eBrochure for studio, 1, 2 and 3 bedroom apartments at 3475 W Desert Inn Rd in Las Vegas."

F10. The fee guide page has a one word title and no description
Page: https://www.coyaliving.com/feeoverview
Change to: Title: "Fee Guide | COYA Apartments Las Vegas". Meta: "See move in costs and monthly fees at COYA in Las Vegas, including deposit, application fee, internet, trash, and pet fees." Empty H1 tag above the heading: remove it. The visible Fee Guide heading stays.

F13. Sitemap leaves out two pages, and cost estimate pages share one title
Page: https://www.coyaliving.com/sitemap.xml, https://www.coyaliving.com/feeoverview, https://www.coyaliving.com/brochure, https://www.coyaliving.com/rentestimate/b2
Change to: Add https://www.coyaliving.com/feeoverview and https://www.coyaliving.com/brochure to the sitemap. Cost estimate titles: "COYA B2 Cost Estimate | Las Vegas", with the plan name changed on each page.

Please reply when these are live, or tell us if any item cannot be changed on the platform so we can find another way.

Thank you

NOT COUNTED

What we could not confirm

These stayed out of the fix list because we could not prove them on the live page.

- The Cost Estimate tool was opened for one home. Its add ons list only pets, and its final totals were not run for every home.
- The Floor Plan Match assistant and the online application were not opened.
- Reviews and third party listing sites were not checked.
- Parking cost and whether garages are offered are not stated on the site, so they could not be confirmed.

Prepared by LocalLift, a service of The SocialDM. We read every page in the site's menu, footer and sitemap in a live browser on November 2, 2026 and quoted each page word for word. Search figures run through Oct 31 2026, the newest complete day available. Offers and prices change often, so recheck any offer against your team's current terms before publishing. No search result or ranking is promised. Confidential, prepared for FORE Property Company.
