THE SHORT VERSION

The fee and pricing tools are strong. The older pre opening wording is what needs to go.

Stillwater Lakes has a clear fee guide, a cost estimate that lists costs line by line, and live pricing by building. The priority is older wording that still appears: Maps and Directions mentions late July move ins, the FAQ describes pre opening conditions, and townhome availability differs between pages. Four townhome plan pages also list a home from another plan. No fix changes a working H1. The only H2 lines involved are the Studio S1 tour label in F11 and the hard hat tour question in F3, if your team removes it.

Keep these headings as they are. These main headings read clearly and the pages are earning search visibility. Nothing in this report asks to change them.

PAGE	MAIN HEADING (H1)	WHY IT STAYS
Home page	Stillwater Lakes Apartments and Townhomes in Kissimmee, FL	The home page earned 1,315 clicks and 12,065 impressions in the 90 days (average position 8.4), plus 1,822 clicks from the Google listing link, and the H1 names the property, both home types and the city.
/floorplans	Floor Plans	Earned 91 clicks and 7,575 impressions at an average position of 3.6; the heading is clear and matches what renters expect on the page.
/photogallery	Photo Gallery	Earned 21 clicks and 6,330 impressions at an average position of 2.5, with one clear visible H1.
/amenities	Amenities	Earned 8 clicks and 4,143 impressions at an average position of 2.9; the heading is clear.
/mapsanddirections	Explore our Kissimmee Neighborhood	Earned 11 clicks and 5,146 impressions at an average position of 3.3, with a clear neighborhood heading.
/contactus	Get In Touch	Earned 6 clicks and 1,855 impressions at an average position of 3.2; one visible H1.
/faq	Frequently Asked Questions	Appears in search 3,247 times at an average position of 4.0 with a clear H1. The fixes change answers and the meta description, not this heading.
/interactivepropertymap	Interactive Property Map	Earned 20 clicks from 669 impressions at an average position of 3.1, with one clear visible H1.

WHAT IS WORKING

Clear fee guide

The fee guide lists Admin Fee $300, Application Fee $80, Internet $89, Trash Services $36, Smart Home Tech $30, Pest Control $6, Pet Fee $200 and Pet Rent $20, and says when each is due.

Cost estimate lists costs line by line

Calculate My Costs on a plan shows Application Cost, Move in Cost and Monthly Cost by line. Studio S1 shows base rent $1,481 and a Total Monthly Leasing Price of $1,642, which is base rent plus the four monthly fees in the fee guide.

Full rental qualifications are published

The Rental Qualifications page gives income, guarantor, rental history, credit, criminal history, occupancy and pet requirements, marked Effective 03.17.26.

Pet costs and limits are stated

Pet Rent: $20/month per pet, Maximum Pets Allowed: Up to 3 per home, No Weight Restrictions: All sizes welcome, Pet Fee: $200 per pet, non refundable, with a named breed list.

Every floor plan shows size and deposit

Each plan card shows beds, baths, square feet and Deposit: $350. Ten of the 14 show a Starting at price, for example Studio S1, 678 Sq. Ft., Starting at $1,481; the other four townhome plans show Call for details.

Live pricing by building

The map page reports 209 apartments found with a base rent range for each building, for example Building 2 at $1,481 to $2,568, and explains that prices shown are Base Rent only.

One clear visible H1 on every page checked

Home, floor plans, amenities, FAQ, gallery, contact, maps, schedule a tour, virtual tours, interactive map, fee guide and the plan pages checked each show one visible H1 that names the page.

Drive times and named nearby places

The FAQ gives drive times: Walt Disney World is about 20 minutes west, Orlando International Airport roughly 25 minutes north, Lake Nona roughly 10 to 15 minutes. The maps page lists named places by category, for example The Loop Kissimmee and Publix Super Market at Partin Village.

Brand searches already land on the site

"stillwater lakes apartments" earned 638 clicks at an average position of 1.1, and "stillwater lakes" earned 514 clicks at 1.9 in the 90 days.

Sitemap line and gallery alt text in place

robots.txt points to the correct sitemap, and the file loads and lists the home, main pages and all 14 floor plan pages. All 221 images on the gallery page have alt text once the page loads.

Does every page tell the same offer?

Renters and AI answers read whichever page they land on. We read the offer on each page and compared it with the one the site leads with.

The offer appears on the Floor Plans page and in two FAQ answers. The home, amenities, contact, gallery, maps, virtual tours, property map and fee guide pages show no offer, and the Schedule a Tour page refers to extra savings without naming one.

Maps and Directions still says apartments are leasing for late July move ins

/mapsanddirections

WHAT IT SAYS NOW

> Our luxury townhomes are ready for immediate move-ins, and we're now leasing lakefront apartments in Kissimmee, FL for late-July move-ins.

WHAT NEEDS TO CHANGE

The intro paragraph names a late July move in window, which has passed, while the floor plans page shows apartments marked Available Now. A renter reading this page sees a date that no longer applies and may not realize homes are available today.

READY TO PASTE

Stillwater Lakes is NOW OPEN and buzzing with excitement! Come tour with us today and experience our stunning new clubhouse, incredible amenities, and vibrant community atmosphere. See the floor plans page for current availability and move in dates. Your next level lifestyle starts here. Don't miss out.

HOW TO DO IT

In the website content tools, open the Maps and Directions page text and replace the intro paragraph. The main change is the sentence about townhomes and late July.

F2 **Fix now** **Property team** Facts

Townhome availability differs between pages

Home page · /mapsanddirections · /faq · /floorplans · /interactivepropertymap

WHAT IT SAYS NOW

> Home page: "Now Leasing Townhomes for Immediate Move-Ins!" FAQ: "move-in ready now". Note under office hours on every page: "Townhomes Move-in Ready". Floor plans page: 3 Bed, 3 Bath Townhome C3 "Available from 2/1/2027" and townhomes B4, C2, C4 and D1 "Call for details". Property map: "Townhomes 1 Available".

WHAT NEEDS TO CHANGE

The home, maps and FAQ pages and the office hours note describe townhomes as ready for immediate move ins, while the floor plans page shows one townhome with a February 1 2027 date and four townhome plans with no price or date. Renters comparing pages see different answers about when a townhome can be theirs.

READY TO PASTE

Now Leasing Townhomes! (Your team confirms the current townhome availability and updates this line, the Maps and Directions intro, the FAQ townhome answer and the note under office hours to match the Floor Plans page.)

HOW TO DO IT

Confirm which townhomes are move in ready today, then edit the page texts. The dates in the plan table come from the property system. The headings on these pages do not change.

F3 Fix now Property team FAQ

FAQ leasing answers still describe pre opening conditions

/faq

WHAT IT SAYS NOW

> Hard hat tours: "YES. Hard hat tours are currently offered Monday through Friday after 3pm." When can I move in: "Townhomes are available for late May move-ins. For apartment homes, the first move-ins are scheduled for late July. These dates are subject to change." Floor plans available: "Our premier, exclusive townhomes are currently available for May move-ins. We are now pre-leasing for summer move-ins!"

WHAT NEEDS TO CHANGE

Three answers refer to hard hat tours, May and July move ins and summer pre leasing. The schedule a tour page offers a Guided Tour and the floor plans page shows apartments Available Now. Renters read these as current and may expect a different tour or wait for dates that have passed.

READY TO PASTE

Are Hard Hat Tours available now?
(Your team confirms whether hard hat tours are still offered. If not, remove this question. The Schedule a Tour page offers a guided tour.)

When can I move in?
Apartment homes and townhomes have different available dates. The Floor Plans page shows the available date for each home.

What floor plans are currently available?
We offer studio, 1, 2 and 3 bedroom apartments and 2, 3 and 4 bedroom townhomes. The Floor Plans page shows what is available now and each home's available date.

HOW TO DO IT

In the website content tools, edit the three FAQ answers. Delete the hard hat question if tours are no longer offered.

F4 Fix now Property team Specials

FAQ special answer differs from the banner and has a typo

/faq · /floorplans

WHAT IT SAYS NOW

> Early renters receive 2 months free rent! Building 1, 2 and7 residents will also receive FREE internet for 3 months!

WHAT NEEDS TO CHANGE

The FAQ names a free internet offer that appears nowhere else, does not mention how the free rent is applied or the $750 move in credit shown on the floor plans page, and has a missing space in "and7". Renters see two versions of the offer and cannot tell which one applies.

READY TO PASTE

2 months free rent, applied as 50% off 4 months on a 15 month lease. Move into Building 1 or 2 for an extra $750 off move in.
(Your team confirms the current offer before publishing, and whether the free internet offer for Buildings 1, 2 and 7 is still current. If it is, add it here and on the Floor Plans banner. If not, leave it out.)

HOW TO DO IT

Edit the FAQ answer in the website content tools. If the internet offer stays, add it to the Floor Plans banner text so both pages match.

F5 Fix now Property team FAQ

FAQ price answer does not match the floor plans page

/faq · /floorplans

WHAT IT SAYS NOW

> Apartments start in the $1,500s and townhomes in the $2,300s, and we're currently offering 2 months free on a 15-month lease. See live pricing on our floor plans page.

WHAT NEEDS TO CHANGE

The floor plans page shows Studio S1 Starting at $1,481, and the only townhome with a price (C3) at $2,667. No page we read shows a townhome in the $2,300s. A renter who reads the FAQ expects a price the plan table does not show.

READY TO PASTE

Apartments start at $1,481, and we're currently offering (the offer your team confirms in F4). See live pricing on our floor plans page.
(Your team confirms the townhome starting price before adding one. Or remove the dollar figures and keep: See live pricing on our floor plans page.)

HOW TO DO IT

Edit the answer in the website content tools. Figures are from the Floor Plans page on Nov 2 2026 and should be rechecked when it is published.

F6 Fix now Property team Facts

Floor plans intro says pre leasing while apartments show Available Now

/floorplans

WHAT IT SAYS NOW

> We’re now pre-leasing studio, one, two, and three-bedroom apartments with contemporary finishes and bright, open interiors.

WHAT NEEDS TO CHANGE

The plan table on the same page shows the apartments as Available Now. Pre leasing suggests homes are not ready yet, which conflicts with the plan cards.

READY TO PASTE

We’re now leasing studio, one, two, and three bedroom apartments with contemporary finishes and bright, open interiors.

HOW TO DO IT

Edit the intro paragraph on the Floor Plans page. The headings on the page do not change.

Four townhome plan pages list a unit that belongs to a different plan

/floorplans/2-bed,-2.5-bath-townhome-b4 · /floorplans/3-bed,-2.5-bath-townhome-c2 · /floorplans/3-bed,-2.5-bath-townhome-c4 · /floorplans/4-bed,-3-bath-townhome-d1

WHAT IT SAYS NOW

> Available Units APARTMENT: # TH6-103 Date Available: 2/1/2027 Starting at: $2,667 ... 1 Apartment Available

WHAT NEEDS TO CHANGE

The floor plans page shows the only available townhome, at $2,667, under 3 Bed, 3 Bath Townhome C3. The same unit and price also appear on the B4 (2 bedroom), C2, C4 and D1 (4 bedroom) plan pages. The Calculate My Costs link on each of those four pages returns page not found. A renter looking at a 2 or 4 bedroom plan sees a price and date for a 3 bedroom home.

READY TO PASTE

Each plan page lists only the homes of that plan, and the Calculate My Costs link on each plan page opens the cost estimate without an error.
(The property team first checks the plan assigned to unit TH6-103 and the townhome plan settings in the property system.)

HOW TO DO IT

The property team can check unit TH6-103 in the property system first. If the plan pages still show it, the developer fixes the plan page unit list and the cost calculator links.

F8 Fix now Property team Facts

Pet details differ between the Amenities page, Rental Qualifications and the fee guide

/amenities · /rental-qualifications · /feeoverview

WHAT IT SAYS NOW

> Amenities: "Akita, Chow, Dalmatian, Doberman Pinscher, German Shepherd, Great Dane, Pit Bull, Rottweiler, Mastiff, Staffordshire Terrier, all wolf breeds, and any mixes of these." and "Pet Fee: $200 per pet (non-refundable)". Rental Qualifications: "Akita, Chow, Doberman Pinscher, German Shepherd, Pit Bull, Presa Canaria, Rottweiler, Siberian Husky, Wolf, and all wolf hybrids, and any combination of these breeds." and "a one-time Pet Fee of $200 per pet is required at move-in for the first and second pet." Fee guide: Pet Fee $200 Per Pet "One-Time/At Move-In", a second Pet Fee line "Varies" Per Pet Per Month, and Pet Rent $20 Per Pet Per Month.

WHAT NEEDS TO CHANGE

The two breed lists name different breeds. Rental Qualifications ties the $200 pet fee to the first and second pet while three pets are allowed. The fee guide also shows a second Pet Fee line that varies per month with no explanation. A renter with a Husky or a Great Dane gets a different answer depending on the page.

READY TO PASTE

(Your team confirms the current breed list and whether the $200 pet fee applies to a third pet, then uses one version on both the Amenities page and Rental Qualifications. Your team also confirms what the Pet Fee line marked Varies per month covers, or removes that line from the fee guide.)

HOW TO DO IT

Confirm the policy, then edit the Amenities text. Rental Qualifications is an image, so it needs a new upload if it changes. The fee guide line comes from the property system.

WHAT NEEDS TO CHANGE

The full qualifications are published, marked Effective 03.17.26, but a renter can only reach the page with the exact address, and the words cannot be read as page text. Plain text and a menu link help renters and AI answers find the income and screening requirements before they apply.

Page text: add the approved wording from the two images as text under the heading. (The property team confirms 03.17.26 is the current version.)

HOW TO DO IT

The team can try the menu, title and meta fields in the website content tools first. The Rental Qualifications heading does not change. The platform default title may need a developer.

WHAT IT SAYS NOW

WHAT NEEDS TO CHANGE

These may be three parts of one setup: a package included with every home, billed at $89 a month, with a free period in some buildings. They do not have to conflict, but no page connects them. A renter who reads included may not expect the monthly line in the fee guide.

READY TO PASTE

Cable and internet package included for reliable high speed service and seamless streaming, billed at $89 per month as listed in the Fee Guide. (Your team confirms this wording. Whether the free internet period is current is covered in F4.)

HOW TO DO IT

Confirm the wording, then update the amenity line. It repeats on the Amenities page and all 14 floor plan pages, so a developer may need to change the shared feature list once.

WHAT NEEDS TO CHANGE

HOW TO DO IT

F15 This week Property team FAQ

FAQ does not answer fees, deposit, qualifications, pet fees, office hours or garage cost

/faq

WHAT IT SAYS NOW

> The FAQ has 17 questions. None covers fees, deposit, qualifications, pet fees, hours or garages.

WHAT NEEDS TO CHANGE

These facts live on other pages of the site but not on the FAQ. A renter reading only the FAQ cannot find what move in costs.

READY TO PASTE

What fees are there besides rent?
Required costs are a $300 admin fee per unit and an $80 application fee per applicant, both due at application, plus monthly charges of $89 for internet, $36 for trash services, $30 for smart home tech and $6 for pest control. Pet fees and pet rent are listed in the fee guide. Tax may apply to certain fees.

What is the deposit?
The deposit shown on each floor plan is $350. Anyone without rental history may be required to pay a deposit equal to one month's rent, and the Rental Qualifications page lists other cases where this applies.

What are the rental qualifications?
Combined gross monthly income must be two and a half times the monthly rent. Guarantors are accepted to help with income only and must make four times the monthly rent. All applicants go through rental history, credit and criminal history checks. The full list is on the Rental Qualifications page. (Your team confirms the 03.17.26 version is current, see F9.)

What are the pet fees?
Pet rent is $20 per month per pet and the pet fee is $200 per pet, non refundable. Up to 3 pets are allowed per home with no weight restrictions. Some breed restrictions apply. (Your team confirms the fee and breed wording in F8 before publishing.)

What are the office hours?
The leasing office is open Monday through Friday from 9 AM to 6 PM and Saturday and Sunday from 10 AM to 5 PM. You can also schedule a guided tour online.

Are garages available and what do they cost?
Rentable garages are available at Stillwater Lakes. (Your team confirms the monthly garage cost and how to reserve one.)

HOW TO DO IT

Add the six questions and answers in the FAQ content tools. Fill in or remove anything in parentheses first.

HOW TO DO IT

The team can try these in the page description field of each plan page. If the platform controls the field, a developer changes the shared template to use plan name, beds, baths and size.

Sitemap points to the wrong Rental Qualifications address and leaves out the fee guide

/sitemap.xml · /rentalqualifications · /rental-qualifications · /feeoverview

WHAT IT SAYS NOW

> Sitemap entry: https://www.livestillwaterlakes.com/rentalqualifications (page returns 404 Page not found). The live page is https://www.livestillwaterlakes.com/rental-qualifications, which is not in the sitemap. The fee guide https://www.livestillwaterlakes.com/feeoverview is not in the sitemap.

WHAT NEEDS TO CHANGE

The sitemap lists an address with no hyphen that returns page not found, while the real page uses a hyphen. The fee guide, which is linked in the menu, is not listed. Search engines request a missing page and may skip two pages renters need.

READY TO PASTE

Replace https://www.livestillwaterlakes.com/rentalqualifications with https://www.livestillwaterlakes.com/rental-qualifications in the sitemap. Add https://www.livestillwaterlakes.com/feeoverview to the sitemap.

HOW TO DO IT

Correct the entry in the sitemap settings, then open the sitemap address to confirm both pages are listed.

NOT COUNTED

What we could not confirm

These stayed out of the fix list because we could not prove them on the live page.

- The Accessibility Statement page (https://www.livestillwaterlakes.com/accessibility) showed only the site header and footer in the browser, so its content could not be checked.
- Whether the free internet offer for Buildings 1, 2 and 7 and the hard hat tours are still active: the site gives no other source, so both are left for the team to confirm in F3 and F4.
- Who pays water, sewer and electric: no page or fee guide line mentions it, and lease documents may cover it.
- The cost estimate has a Lease Term selector that showed 12 and 15 month terms. We did not read every option in its list.
- The Rental Qualifications images are marked Effective 03.17.26. Whether that is the current version is for the team to confirm.

Prepared by LocalLift, a service of The SocialDM. We read every page in the site's menu, footer and sitemap in a live browser on November 2, 2026 and quoted each page word for word.
